

Kartell DESIGN ICONS

MAGIC HOLE

Design Philippe Starck with Eugeni Quitllet

Kartell's new outdoor products manufactured with the rotational moulding technique: the Magic Hole series consists of a two-seater sofa and an armchair with an uncluttered snappy silhouette and slim closed section legs. The straight linear surfaces terminate in well-rounded curves. The austerity of the lines is broken and enhanced by the originality of the stylistic details: a flared "pocket" white or grey or black ton-sur-ton, or contrasting fluorescent colours of orange or green on the interior hollow curve of the arms. Comfortable, light, shock resistant and weatherproof, the Magic Hole sofa and armchair are perfect for outdoor use - ideal in the garden, on the terrace, the veranda, poolside or for outside use in public places.

Material: batch-dyed polyethylene
Size: sofa: H. 73 cm, L. 144 cm, D. 73 cm
armchair: H.79, L.57 cm, D. 54 cm
